

26 – 27

BLAZERS SQUAD ANNOUNCEMENT

Hello Blazers Trial Participants,

Thank you to everyone who has attended and put in 100% over the weekend at the Blazers 2026-2027 trials. As you know, we received record trial registrations with selections harder to make.

We certainly have some amazing talent in our community, which has made for some tough decisions on the final squad selections.

BABA are proud to announce each squad as noted below.

If your name is not on the attached selected squad lists, we sincerely thank you for attending the trials, however unfortunately you are unsuccessful this year.

Please note, that there were some very hard decisions made along with some large groups of trial participants in some age groups, so please continue to work hard over the summer season, and we encourage everyone to come back and trial again next year.

Please don't be discouraged.

We thank you for your effort.

From,
Busseton Blazers

Busseton Basketball Association

Congratulations to those that are selected.

In the coming days, you'll receive an email with further info regarding coach/ manager info & a Parent/ Player Handbook.

We encourage all our Representative Players to play in an A Grade team this BABA domestic season which will help with their basketball development.

Thank you and look forward to an exciting Blazers season!

CONGRATULATIONS ATHLETES

Please note- below squads are development training squads not teams
