Meet BABA

Busseton Amateur Basketball Association

We are the local basketball association for the development, training and playing of the basketball game within the Busseton and Dunsborough districts of the South West of WA.

We are committed to offering high quality playing days, referees, coaching, development and skills workshops to improve the experience of all our current and future players, both young and old.

BABA is the largest sporting association within our area encompassing over 2500 paid members and a wider community spectator group of parents, family and friends. Our reach, impact and direct support community is large- offering incredible brand exposure for your business, and an alignment with a well respected, growing and innovative sporting club.

We've just been awarded by Basketball of WA the prestigious recognition of #1 Regional Basketball Association Of The Year.

As well as receiving many awards for our Busseton Blazers Talent Development Program.

It's an amazing time to align with greatness!

We believe the sport of basketball is only going to continue to grow as it's inclusive of all ages and genders, and inspires everyone to embrace a healthy, active and happy life.

Our aim is to encourage and motivate everyone who comes in contact with our association to embrace the sport of basketball, live active lives and fulfill their potential by chasing their dreams.

Even though our association is large- our committee is small, dedicated and passionate. By joining us as a sponsor, you'd directly help our community with operating costs and we'd help expose your business to a consistent, wider audience.

We endeavour to ensure this investment is beneficial and profitable for both of us.
